The history of medicine shows how societies have changed in their approach to illness and disease from ancient times to the present. Early medical traditions include those of Babylon, China, Egypt and India. The Greeks introduced the concepts of medical diagnosis, prognosis, and advanced medical ethics. The Hippocratic Oath was written in ancient Greece in the 5th century BCE, and is a direct ...

Shamanism is the oldest spiritual and healing practice on the planet dating back 50,000 years. This tradition has grown out of humanity's experience of evolving out of the earth and our intimate connections to our mother. When we journey into the inner realms through the doors of perception using our minds eye to explore the wondrous world of imagination, we can tap into the greater store of ...
