The vocabulary of ancient Roman religion was highly specialized. Its study affords important information about the religion, traditions and beliefs of the ancient Romans. This legacy is conspicuous in European cultural history in its influence on later juridical and religious vocabulary in Europe, particularly of the Western Church. This glossary provides explanations of concepts as they were ...

The history of slavery spans many cultures, nationalities, and religions from ancient times to the present day. However the social, economic, and legal positions of slaves were vastly different in different systems of slavery in different times and places. Slavery appears in the Mesopotamian Code of Hammurabi (c. 1860 BC), which refers to it as an established institution.
